

PHYSICS

June 08 – 10, 2020, Beijing, China

Theme: Exploring the untouched frontiers in Physics that have a direct bearing defining the way we live.

ABOUT PHYSICS

Pride Conferences takes great pride in organising and inviting all the global delegates, to participate and contribute effectively to all the conferences organised by us. These conferences would comprise of Eminent stake holders keynote presentations, elaborative scientific research detailing, years of research works with the roadmap, Q & A, exhibitions of research papers and more. Key Stake holders include researchers, practitioners, students, professors, business communities and lot more. We create an ecosystem that enables the research works to be presented to right audience to take the Innovations ahead for a better society.

This International Conference on Physics will focus to showcase the advancements in physical sciences. Discussions include technology advancements in the field of Medical science, Automation in Agricultural produces, surgical equipment's, new inventions to test & manage wildly spreading health disorders – Event would leave stakeholders awestruck by the progress made in the field of physics sciences.

HIGHLIGHTS OF THE CONFERENCE:

1. CPD certificate will be provided at the conference venue.
2. We are scheduled for city view of June 11, 2020 for all our participants without any charge.
